Product code: 5020009 (Body Lotion 30 ml HYLA Natural Care) 5020102 (Body Lotion 250 ml HYLA Natural Care)

IDENTIFICATION OF PRODUCT AND FIRM

TRADE NAME

: BODY LOTION HYLA Natural Care

Product code

: 5020009 (Body Lotion 30 ml HYLA Natural Care)

: 5020102 (Body Lotion 250 ml HYLA Natural Care)

Product type and way of employment : Body Care Product

MANUFACTURER: MERINO SERVICE Linea Natura S.n.c. Via Zimbalo, s.n. – Z.A. – 73025 Martano (LE) - ITALY on behalf of: N & B S.r.I., Via Lat. Campo Sportivo s.n. – Z.A. – 73025 Martano (LE) - ITALY

Urgent contact to Manufacturer: Phone: +39 0836 571336 Telefax: +39 0836 574819 info@benesserenatura.com

COMPOSITION – INFORMATION ON INGREDIENTS

INCI name	: AQUA
INCI name	: CETEARYL ALCOHOL
INCI name	: GLYCERIN
INCI name	: ALOE BARBADENSIS LEAF EXTRACT*
INCI name	: OLEA EUROPAEA FRUIT EXTRACT*
INCI name	: CETEARYL GLUCOSIDE
INCI name	: CAPRYLIC/CAPRIC TRIGLYCERIDE
INCI name	: PRUNUS ARMENIACA KERNEL OIL*
INCI name	: PRUNUS AMYGDALUS DULCIS OIL*
INCI name	: MACADAMIA TERNIFOLIA SEED OIL
INCI name	: TRITICUM VULGARE GERM OIL*
INCI name	:ROSA CANINA FRUIT EXTRACT
INCI name	: ZEA MAYS OIL
INCI name	: LINUM USITATISSIMUM OIL
INCI name	: BENZYL ALCOHOL
INCI name	: SALICYLIC ACID
INCI name	: SORBIC ACID
INCI name	: SODIUM DEHYDROACETATE
INCI name	: PARFUM
INCI name	: LACTIC ACID
INCI name	: BUTYLPHENYL METHYLPROPIONAL
INCI name	: COUMARIN
INCI name	: BENZYL SALICYLATE
INCI name	: LINALOOL
INCI name	; LIMONENE
INCI name	: GERANIOL

LAZIONE 28/05/2018 REV 01 Emission Approval INCI name :: ALPHA - ISOMETHYL IONONE	NATURAL IS BETT		SHED COSMET	IC I KODUCI	MOD 21- 01/09/2
INCI name :ALPHA - ISOMETHYL IONONE *: From organic farming. Principle Hazardous components: NONE. Frame formulation Number: 1.1-2011 Skin Care Cream, Lotion HAZARD IDENTIFICATION This is a personal skin care cosmetic product that is safe for consumers and other users under intended and reasuse. Eye Contact: Contact may cause mild, transient irritation. Skin Contact: Not expected to be irritating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient. Ingestion: Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation. FIRST AID MEASURES Eye Contact: Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or persists, contact a physician. Skin Contact: Discontinue use of product Apply cold compresses to affected areas to relieve any discomfort. If di fort persists, contact a physician. Ingestion: Accidental ingestion of product may necessitate medical attention. In case of accidental ingestion diude (water or milk) and treat symptomatically. Do not induce vomiting. FIRE FIGHTING PROCEDURES Product is not flammable. SPILL OR LEAK PROCEDURES Product is not flammable. SPILL OR LEAK PROCEDURES Product using a normal absorbent paper. Never put the spilled material in the primary container. SPECIAL PRECAUTIONS Precautions to be taken in handling or storing: store tightly closed in a cool and dried area. Close the container a use and keep out of reach of children.	28/05/2018		7	Approval	
From organic farming. Principle Hazardous components: NONE. Frame formulation Number: 1.1-2011 Skin Care Cream, Lotion HAZARD IDENTIFICATION This is a personal skin care cosmetic product that is safe for consumers and other users under intended and reasulate. Eye Contact: Contact may cause mild, transient inflation. Skin Contact: Not expected to be inflating, sensitizing, photoallergenic or phototoxic when used as intended. If irritation occurs following intended use or prolonged contact it is expected to be mild and transient. Ingestion: Product used as intended is not expected to cause gastrointestinal irritation. Accidental ingestion of undiluted product may cause mild gastrointestinal irritation. Inhalation: Not expected to be irritating to the respiratory system. Not volatile therefore limited inhalation exposure pated. Chronic Exposure: no hazardous effects from chronic exposure known FIRST AID MEASURES Eye Contact: Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or persists, contact a physician. Ingestion: Accidental ingestion of product. Apply cold compresses to affected areas to relieve any discomfort. If di fort persists, contact a physician. Ingestion: Accidental ingestion of product may necessitate medical attention. In case of accidental lingestion dilute fuids (water or milk) and treat symptomatically. Do not induce vomiting. FIRE FIGHTING PROCEDURES Product is not flammable. SPILL OR LEAK PROCEDURES Precautions to be taken in handling or storing: store tightly closed in a cool and dried area. Close the container a use and keep out of reach of children. REACTIVITY DATA							

ECOLOGICAL DATA

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices. Additional information is available from the supplier on request.

ADDITIONAL INFORMATION

The information provided in this SHEET FINISHED COSMETIC PRODUCT represent our better knowledge up to written date. They are expressly and solely referred to indicated product and don't represent any guarantee of particular qualities. Consumer has to get these information in order to decide if the product is suitable for him regarding the specific use he has to do with it.

The SHEET FINISHED COSMETIC PRODUCT gives information in order to evacuate the healthiness and innocuousness in the condition in which this product is transported, stored or used into working areas.

This document annuls and substitutes any previous edition.
